

TEXAS PRISON HEAT

No real lessons have been learned by elected officials in TEXAS nor those Administrators responsible for the operations and management of the TEXAS Department of Criminal Justice (TDCJ).

The Keith Cole vs. Bryan Collier et al., class action lawsuit (Case # 4:14-CV-01698, Southern District of Texas - Houston Division) should of caused more concern and remedial actions than have been observed statewide since the May 08, 2018, settlement was finalized.

Current circumstances suggest that it wont be a matter of "why," but rather "when" the next human being needless. loses their life as a direct
