i'm all 2 the good. just get'n back 2 normalcy . had stopped spending time with my heart ,which wasn't a good thing . cost me alot of emotional turmoil . ouch. never again. learned my lesson. now i'm back 2 spendin time readin,n prayin n fastin. i refuse 2 lose.

just finished watchin a movie i loved from my past. it's amazing how much of the movie i seen in my new found maturity. scenes n dialogue i was oblivious 2 when i was 16-17. i see the moral 2 the story.what r the odds, 1 day gone write a movie based on my life. probably start sketchin it out after i finish the memoir which i'll probably work on 2night
