## I NEED LOVE AND ENCOURAGEMENT

I recently been blessed with a Tablet which allows me to receive and send e-mails. Only I need to receive an e-mail before I'm able to send one in return. Here is how to e-mail me. Go to <http://www.jpap.com/PEMessages.aspx> Then type in Florida and my ID # 090411 - you will need to purchase stamps from the site and it would assist me to respond if you check the Prepaid Return Message box

Alright I'm looking forward to receiving some e-mails in response to my blog

Love to you,  
Milo Rose
