**"Pastoral Deeds"**

*I stand confident that I will find  
God's purpose for my life  
With all the restriction's that I face  
I still find time to bend my knees*

*To God I pray  
That He forgives us of our sins  
And that I can look upon others  
Squeezing out authentic grins*

*I think if I were free  
I'd pursue pastoral deeds  
My words would take flight  
Tickling the ears of God's children  
Fore I am confident in God's Kingdom*
