Mrs Melinda,
Blessings.

Monday 10-1-18

I'm grateful 4 whoever or whatever led U
2 this "weblog" I'm so bless'd 2 have.

My intent was 2 write U sooner but
press'n matters prevailed. N Lord Knows
I B busier than I shoulcl B simply
2 fight boredom -n- because the
activities afforded me aren't very fun
or relaxin'. Playin basketball is like
bein' on an episode of Jerry Springer.
Ouch!

thank U 4 ur sincere comments regardin
my July 19th post (July 31st) thanks 4 the 2
"very's" U used ~~&~~ B4 "good" as it relates
2 the Poem I pen'd entitld Crime
doesn't pay. Pray it's a blessing that
provides insight into the other consequences
of ~~#~~ comin 2 prison, beyond the Big 2 that
medita stressses (violence -n- rape) so many other
"punishments" are afforded the incarcerated. Like
constant stress, frozen cells (got on a shirt,
sweater, 2 pairs of pants, long socks -n- baut 2
put my gloves on = hold on -o In the winter
gotta sleep in my hat -n- coat! Brrrrrr) then

there's poor health care, ridiculous canteen
prices - Ramen noodles now 35¢. Stamps
R no longer sold so we have 2 buy
stamped envelopes 4 68¢. Etc..

But I'm not here 2 cry/complain, just
shed light on how "Crime Doesn't Pay" My
favorite part - one that never gets highlighted-
is, it only takes seconds 2 get life in prison.
Can't wait 2 teach that 2 ush youth
-n-those who already took the risk!
If u know NB body thinkin prison is the place
2 B, feel free 2 share the poem woth them.
Might save they life..

Thanks 4 ur empathy regarding my reality w/my
daughter. Her 21st B-day is 2 days away
(Oct 3rd) - n - I have no idea what 2 tell
her. What haven't I said in 21 yrs? This is
when not been in touch w/her hurts the most.

Prayin 4 Gdd 2 bless me woth fresh
loving words 2 bless her woth. Prayin
somethin leads her 2 my blog. Told people
2 give her the web address but have no
idea if they did/were able 2. Wish I
could send her all hundred somethin dollars
I have 2 my name -- wish a lot of things

PS²

Thanks 4 Ur womanly/daughterly wisdom. Promise, I do try 2 understand how hard havin a MD & dad is 4 Proska. Yet - my love is selfish ☺ (at times). Since I learned what true love is all I wanted 2 do was love on her - n - shower her with all the LOVE she rightly deserves. Past. Present. Future.

Can see it now that - in my selfishness - I'm guilty of not respectin ☺ all of her feelings ☺ I'm guilty of only lookin at our father daughter relationship from my perspective. See I B solely focused on losin her now - n - making up 4 lost times now so as 2 prevent more lost times - n - 2 kinda lessen the weirdness, the awkwardness, that accompanys bein apart 4 over 2 decades! Ouch! Just wanted 2 B her Dad in some capacity, NB capacity, hopein 2 build trust - n - other relational characteristics

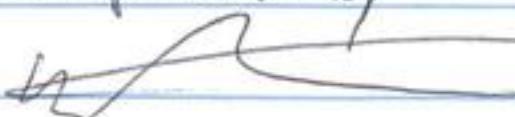

Mrs. helynla thanks 4 helping me see my selfishness - as a Father. If Ur a prayin woman pray 4 me that I would B ever mindful of Proska's ^{husb} feelings, emotions, thought process - n - the reality that she 2 is dealin with havin lost a loved one

Regarding the question I asked "R U ever
gon 2 b able 2 get out?

YES

Just I have no idea when -
I was sentenced 2 25yrs but I have
Parole opportunities. Just seen them 4 the
3rd time on Sept 7th. In the end I
was denied release 4 another 10 months
So in July 2019 I go 4 the 4th time
meanwhile my faith is in God. In March
2019 keep comin 2 me with a sense of
"release". Not 2 mention God gave me a
dream I had "20 yrs in prison" on Easter
Sunday 2015. Well I caught my case on Sept 11
1997, but didn't get 2 prison till March 1999
So March of 2019 will B 20 yrs in prison. God
has heard my prayer 4 release - n - has
responded. Based off our time together I trust
a miraculous release will B granted me
(1st Samuel 1:17 Act 27:25) So by faith
I'm prepared 2 B FREE, know God has an
even more amazing life 4 me on the other
side of this gated community. Smile ☺
Well that's all I got. Take care

Respectfully

This is the day

if u look up u won't see down

10/18

P.S. Just came from Bible Study while there (at 7:21pm) God whispered comforting words 2 my C.

"Trust that Priska LOVE U, in spite of her absence. She dealin w/hurt of Ur absence. Amen. [She] wants 2 do like w/U, but can't. This hurts her all the more. (More than U'll know) Keep her in prayer. 2 see Jesus. [2] Love Him. Amen [2] Hold on. 2 B blessed 2 B Leveel. She know U [1] love her. It's obvious both [of U & R] hurtin cause we miss each other-- dealin w/pain best way we know how. Amen."

"God, thank U 4 comfortin my broken selfish C w/these words. Love U. Thanks 4 letting Melinda's words ushered in this prophetic word."
