

What does Honor your Parents,
Parent or guardian means to
you?

I would always be in the church or the neighborhood,
by elder people. you suppose to honor your father and
your mother, so that you may live long in the land
the Lord your God is giving you. So I would do things
like talk back or disobey what my parents tell me.
I would do the same thing with my grandma just
behind her back because Grandma Ada would
plait those three switches together and wet them. you
see there was no such thing as child abuse back
then. She would take to my buttocks. When I was being
disobedient. They would say child you are
shorten your days on earth. I be like them, to myself
yeah right I am still living. So today I want to
teach the children. What does it mean according to
Exodus 20:12 Honor your father and your mother
so that you may live long in the land the Lord
your God is giving you. your land could be you stay
in Bainbridge GA with your mom and dad or just your
grandma or mom or dad. Having parents or guardian who
loves you and care about your well being is a blessing.
So many children are homeless, group homes, juvenile
etc. Count your blessing but count them the right way.
Exodus 20:12 This is the first commandment with a
promise attached to live in peace 5 or generations

Two temple on our bodies. You don't let nobody defile
your temple not even your parents, parent or guardian
especially if it goes against the will of God. I was
one who finds it difficult to honor my mom because
I respected her but she had me doing things that
would disobey the will of God. I am grown. I still
respect her but witchcraft and Usuda is against God's
will. I pray for her. I tried to minister to her. But her
ears are closed. Don't get me wrong I love my mom
but she is not going to take me down a road of
destruction. So do not let anyone put a guilt
trip on you if you know your parents, parent or
guardian got some ^{thing} going on that can bring
destruction in your life. Because you don't
want to be no part of the wrong ^{life} style. Church
people saying that's your ~~parent~~ parent
or guardian you got to forgive. Who to say
you haven't forgiven them you don't have to
talk to them or be around if their life style
hasn't changed. In order to forgive them, you can
forgive, move on and pray for that person deliverance.
That don't mean you do not love them or don't
honor them. Please babies get into your word yourself
so that nobody will you in bondage. You'll be ~~encouraged~~
encouraged and I love you all.
