

in the promised land, the Israelites would need to respect authority and building strong families. But what does it mean to honor¹¹ parents? Partly, it means speaking well of ~~them~~ them and politely to them. It also means acting in a way that shows them courtesy and respect (but not to obey them if this means disobedience to God). It means following their teaching and example of putting God first. ~~Parents~~ Parents have a special place in God's sight. Even those who find it difficult to get along with their parents are still commanded to honor them. I believe every child ~~go~~ should have an adult that they can trust outside their parents, parent or guardian. That easily listen and act if the child is put in danger. I had school teachers, friends moms, Uncle and Aunts I could go to anytime I felt my parents was doing something that would ~~jeopardize~~ harm me or the household any kind of way. I remember when I was 9 years old. We was staying with my great grandma A da. My mom, stepdad and Uncle was ~~save~~ save. They was drinking and ~~sm~~ smoking marijuana in the room where I was. I love my parents but I went to my great grandma A da. She scolded them cause grandma was the mother of the church. you don't do that in church people house. I was raised up in church. My parents got save. But I guess you say how did you know about that at a early age. Even at that age you have all types of peer pressure at school and the talk is very alive.

Did I disrespect my parents by telling my grandma,
No because suppose the police came to the door because
they heard marijuana in the house. Arrested the adults
we would have went to foster care. My babies you
having to wiser up. That is one example of disobedience,
Because your body belong to God. Spiritually they belong
to God 1 Corinthians 6:12,13 Some actions are not
sinful in themselves, but they are not appropriate
because they can control our lives and lead us
away from God. Some actions may hurt others,
anything we do that hurts rather than helps others
is not right. Such as food for the stomach and stomach
for the food is not sinful but when become gluttony
over indulging over eating it's wrong because it can
cause ~~health~~ health problem diabetic etc. Babies
Our bodies are Gods temple 1 Corinthians 6:19 how we
pollute ours does matter. I don't care if your parents
tell you to lie. Say to your mom, dad or guardian
if it lie this or that would happen. I am not trying
to be disobedient but I don't want to hurt nobody.
If they don't listen. Go to the person who can help
you in the family. Will go to that adult in
straight the matter. Is you being disrespect to
your parent, parents or guardian absolutely
no, you saving yourself and others from trouble.
1 Corinthians 6:19 Do you not know that your body
is a temple of the Holy Spirit, who is in you, whom
you have received from God? you are not
your own, you were bought at a price. Therefore
honor God with your body. I personally don't believe

And the only child in the world was affiliated with Christianity at a early age. So this why I am talking like this. Because there are alot of youth in the Churches today that is going through a storm with their parents, ~~from~~ parent or guardian. So what did Paul mean when he said that our bodies belong to God? Many people say they have the right to do whatever they want with their own bodies. Although they think that this is freedom, they are really enslaved to their own desires. When we become Christians, the Holy Spirit fills and lives in us. Therefore, we no longer own our bodies. Bought at a price refers to slaves purchased at auction. Christ's death freed us from sin, but also obligates us to His sacrifice. If you live in a building, owned by someone else, you try not to violate the building rules. Because your body ~~belonging~~ belongs to God, you must not violate His standards for living. This is what I am saying when I said what does it mean to honor honor parents? Partly it means speaking well of them and politely to them. It also means acting in a way that shows them courtesy and respect. But not to obey them if this means disobedience

to God. Ezekiel 5:11 It was a serious sin to defile the temple, God's sanctuary by worshipping idols and practicing evil within its very walls. In the New Testament, we learn that God now makes his home within those who are His. Our bodies are God's temple. We defile God's temple today by allowing gossiping, bitterness, love of money, lying or any other wrong desires or attitudes to be a part of our lives. By asking the Holy Spirit's help, we can keep from defiling
