Dear Grace,

It's always good to hear from you, I got your respond yesterday on 10/4/18. I will always write you back a.s.a.p. As soon as I hear from you.

Yeah, I am excited of getting out, it has been a lot change since I been out ~~since~~ 2004. My brothers and sister has falling apart and my mother aint doing so well. So it will be some B/s, I will face when I get out next year but it will be a 110% better then being in this men ~~not~~ made hell they call prison.

The only plan's, I have is ~~for~~ starting a business and to find a woman and settle down, having fun, enjoying life and seeing the world. I will have more plan's before I get out next year. The mean thing, I am working on right now is getting my mind right before I get out.

Far as my release date, I get 4 days a month taking off my sentence for good time. So my date drop little by little each month. My out date will be at August 1, 2019 next week. Next month in November my release date will be at the end of July 2019. Without any good time they can't hold me pass Nov. 19, 2019. I'm looking to be ^{out} the end of June or the first week of July 2019.

That's really good that you trying to learn American Sign Language (ASL) now that's what's up. I know sign language fluently, it's just a little different then (ASL) but half of it is or a little more then half is (ASL). It took me (4) days to learn it fluently. ~~like~~ you said it will be good to learn because there is no telling who you may come ~~across~~ across at all.

So when do you go take your GED Test ?? You will pass it with flying colors with no problem at all, I have faith in you, Grace.

You said you been working out. That is good it's healthy for the body and mind. I really need to be working out myself, I been lazy ass hell and that isn't good at all.

As you already know it takes a couple of weeks for the staff at Between The Bars to post my writings and comments. I will always write you back as soon as, I hear from you.

By the way, I was the one getting sexually harassed by two men Sergeants

If it would have been two women, I wouldn't have mind at all. But two men
that is gay and, I ain't with that. The sexually harassment has stoped and,
I'm so glad it has to. This prison life suck's and, I can't wait to ~~ever~~ get
out, I ain't coming back.

I will stop here for now and hope to hear back from you really soon. Take
care, keep strong, keep your head up and let the hater's, hate. However, Grace
take it one day at a time and try to keep strong minded.

Always A Friend,
