Name: ·I AM THAT I AM· YHVH·

↙ I've got real love and admiration for ya Bro. You've ran a great race with me — longer than any other! I'm wondering now, if you've made a decision (again) regarding domesticity. I do understand ... more than you know.

Look up the word CRISIS, and then look up DECISIONS, and then you'll see why some of us go 'round and 'round infinitely in circles. It's a merry-go-round, playing make-believe, I know. Escaping domesticity is a decision ... a crisis! Yet, that's no reason to regret going feral. It doesn't have to be a "bad" thing. No reason to drown regrets and confusion in alcohol, you know what I mean?

You live between so many realities, Kinsman. That's the plight of a Sage. Understanding That, makes it easier to live with — for everyone. The proverbial 'race' isn't a race, beloved. It's a merry-go-round! And all those Sleeping Beauty's out there need more Prince Charming's to dare Being an influencing factor in their dreams, stirring them Awake! Gently, in most cases.

I know you know I know. So with that said: Be Blessed.

Do As Thou Will

Thanks for coming!
