likewise im supremely blessed as well . 2day was better than yesterday ! once again im on the transfer list. try'd 2 get closer 2 home but was denied. its ok. i surrendered it 2 god,so i'll b ok with whatever he decides . maybe i'll miraculously get 2 sturtevant ,if not now ,later. im determined 2 b ok n not let things get me down. had enuff of that. depression can't live here ne more . so b it. 2day god,outta his love 4 me told me at apprx 4:09am "TAKE TIME 2 B A KID" that was in response 2 my prayers 2 overcome bitterness . figured i'd do some drawing 2night,but at 7:45am i got some yarn in,so when i'm done here im goin 2 make some hats,scarves,mittens,etc 4 poor kids. it's a christmas tradition god had me start 3yrs ago. i send em 2 my spiritual mom n she gives them 2 a church who takes care of the rest.
