top of the mornin Mrs. Ju

i'm doin great! was reminded at a meeting i just came from,that I WILL B GIVEN A 2ND CHANCE :)
God has told me this repeatedly . so i have been preparing 4 this moment 4 ruffly 10yrs yet. still goin
strong. more determined on each day 2 succeed like i should've from the 1st day 1. once i do i'll make
sure u get a t-shirt,books,-n-a couple pair of shoes,n who knows what else !

hard 2 write with all the demonic yellin n screamin goin on...

so anyway at the meeting i just came from they gave me a custody reduction ,which means soon -GOD
WILLING- I'll b transferred 2 a prison with more ""freedoms"". though as it stands it wont b one of the
ones closer 2 home,but things happen. see there is a higher authority that has 2 make a decision which
takes 30days,or less.

keep u posted.

glad u enjoyed reading the letter. my heart was blessed by this.

got some yarn 2day so time 2 make some hats,scarves,mittens,necklaces...

started new jim crow days ago

times runnin short

fresh from heaven greetings
