Hello world. After calling a Marine buddy from back in the day, I was reminded that many of our fellow vets will be meeting at the Camp LeJeune Beirut Memorial on Tuesday to remember our KIA Marines and Sailors. One day I will get there.

Until then, we decided that four of us Marines here in GrahamVets will fill in on the morning and evening Colors Detail for Tuesday. We will handle the Flag as a special tribute on this day to remember our fallen brothers. Semper Fi - "They came in peace". wdl
