

THE BETTER MY EFFORT
THE BETTER YOUR
TREASURE... (HOW I FEEL)

11-5-2018

I'm So Weak Inside because For You I've Fallen To Deep To Come back. At Night It's Hard To Sleep As I Think Of You Being So Far Away. I Wake In The Middle Of The Night In A Cold Sweat Of FEAR FROM MY DREAM (which In It I Lost You) So Many Obstacle In Our Way. We Seem To Always Come Across Issues, Some days I Sit And ask is This Not ment To be? Which Would Make Since Seeing How Our Current Situations disrupts Any Chances Of US being Together... (Maybe In another life) But I'm a Fighter And Never Give UP...

Your Smile keeps Me Strong, so beautiful You melt My Soul, It's The Good Times (even small ones) That I cherish and hold, It Has NOT been that long, but when I'm With You NOTHING Feels Wrong ONLY Ment To be...

I Feel Close To Your Mind, which allows Me To Feel what is Inside Your Heart THAT bleeds To ^{be} loved, cherish, accepted, wanted And Needed by Someone like Me... I Already feel like your Protector, And I Promise To Protect You (Right Or Wrong) Can You Accept That Help? Can You Accept Me For who I Am? Cause I Accept You...

(Final Wisdom)

open eyes see what's in front of them, close eyes miss opportunities... If this doesn't open your eyes to what I feel then this opportunity wasn't ment to be... And like a Real Nigga (no matter what you'll have a friend inside of me...]
