priska

here i am once again smile

what will i say 2day?

lets see...

i'm doin ok. just waitin 2 leave this place. been 9 1/2 yrs.. whew! a bus left 2day but i wasn't on it. maybe next time. a co-worker i did'nt enjoy workin with left,wasn't super happy,just at peace that work might b a lil less chaotic - now. a lil less lazy,some people just don't have work ethic or mindfulness of others. he left that spirit in the workplace but i'll overcome it cause jesus also left his spirit here n it's greater than satan's

hey did you know that love is an act of the will?

i love u cause i love u

was tellin a pen-pal "strivin 2 b a better u is an accomplishment in n of itself ,so 2 is bein tru 2 u." so b tru 2 u

UR U IS IMPORTANT 2 U

SO

KEEP YOUR U IMPORTANT 2 U

JESUS wants u 2 know that he got ur back,n ur front n ur side 2 side

smile

i am we
