Dear Grace,

It's really good to hear back from you. I been doing alright just taking one day at a time and waiting on the day they ~~sent~~ set me ~~from~~ free. So how have you been? ~~telling~~

I have been taking care of my Mental Health, and I am on med's to control my mood. ~~wings~~ And, I been doing alright so far since, I been back on Meds. Yeah being in prison as long as, I have it's sure is nerve-wracking for a sure thing.

I'm sorry to hear that you have "lisp" that must such. I don't speak any other languages, I wish, I did. What about you?? I do wish, I could speak many different languages.

By the way HAPPY BELATE BIRTHDAY. If you don't mind me asking what you did for your birthday? Whatever it maybe, I hope it was a good birthday.

When, I was your age, I was out of control, I was party, getting in trouble with the law, fighting, breaking some girl's hearts and plan's for life and goal's sad to say, I really didn't have any at all. When, I ~~was~~ was ~~at~~ 18, I was almost marry which didn't work out. So what are your goals???

Yes, we are allowed to keep all our letters and mail we get. I have all your letters. I would like to keep in touch with you as will after my released. So you can send it whenever you want.

No the prison don't do anything at all for "Halloween". So did you and your friends have fun for "Halloween"? So do you have any plan's for "Thanksgiving"? The prison here don't anything here for "Thanksgiving" and the food sucks big time.

I'm for all the mistakes and makes out. I am going to end here for now and can't wait to hear from. Take care, keep strong, and keep your head up.

Always A Friend
