I did not have these ID designations when  
I'd posted the previous two messages for  
Daughter Destiny. Yet I'd posted my love  
just the same — expecting they'd be  
discovered even without an alert.

Dearest D,

Please let me know your thoughts  
about this blog site, and what my thoughts  
make you think.

Particularly, I wonder what you  
think about the study courses I've been posting  
lately. TPOW is THE PROBLEMS OF WORK.

ANSOL (NSOL) is A NEW SLANT ON LIFE.  
And then of course the Volunteer Ministers Courses

- 1- Components of Understanding
- 2- Ethics and Conditions
- 3- How to resolve conflicts

I'm posting these for you — and your  
siblings to glean what you can to answer  
some of the questions/confusions in life.

Has any of it helped at all?

Be Blessed — with Love.

Bless

When you access  
your place of inner  
inspiration and act  
from there, any move  
is the right one...  
standing on the side-  
lines will get you  
nowhere.

# The Gift of Power

WEDNESDAY NOVEMBER 7, 2018

*A gift is as a precious stone in the eyes of him that hath it: whithersoever it turneth, it prospereth.*

— Proverbs 17:8

*God has given us a Power and we must use it.*

— Ernest Holmes, "Creative Mind and Success," page 16

**W**e've been given a gift. We don't have to look for it. It's within us. All we need to do is discover it, develop it and deploy it. At this present moment, we have all that we need to be a total success, to become all that we desire to be. All we need is all we have, and all we have is all we need.

Our gift is what makes the difference. The question is what we will do with this awesome and amazing treasure lying within us. It was given to us to be used, not to lie dormant. We must tap into it and allow it to flow to us and through us. Don't leave it untapped.

It's time to discover our gift — our uniqueness — and use it. We must use what we have to get what we want.

Coleman Cox said, "Even the woodpecker owes his success to the fact that he uses his head and keeps pecking away until he finishes the job he starts." To what do we owe our success — or lack of success? If we use our gift, it will lift us to levels of success that we have only dreamed about. We must keep using our gift until we achieve success.

Our gift is our key to success. We will never know how great we can be if we don't use what we have. Use your gift, and watch it give you a lift. Your success begins and ends in you.

## AFFIRMATION

I recognize the Divine presence and power of God in me as God's gift to me. I consciously use it and co-create the abundant life experience I desire.

P.S. "Power" is pretty much about: What your Will-Power can DO with your Point Of View. After reading the above... I wonder what your Power Co-Creates. In the likeness of The Creator, we are Creators too, you see? "I wish you were here to help me," manifested a renewed communication-line, just like that! Now: "I wish" that you'd understand "Your Gift" — and the "Power" you have to influence people and conditions in your zone, — for the better. Your name is Destiny + Joy, for God's sake! Be Blessed.
