Dear Heather,

hi how are you? I hope well. I don't have much time, I have a lifers org. meeting in less than 30 minutes but I wanted to respond right away. I just got your post saying you were trying to find me. Here is the mailing address and here is how you email.

Email is: connectnetwork.com

mail is:

Robert Pezzeca #DX1148
 Smart Communications/Pa DOC
 SCI Dallas, Po Box 33028
 St. Petersburg, Florida 33733

Signing up to email is complicated for some. If you have any trouble figuring it out, send an email to my big sister Jen, she will help you. You can email her at: robertpezzeca@gmail.com

Send Jen an email anyway and she can send you some photo's that I just took with some politicians, attorneys and good people at our lifers banquet last month. The emailing system is slow, takes a day sometimes to get but since this new mail contract regular mail takes 3-4 weeks to receive but I would like to write and email with you. So send your address to my gmail account (Jen monitors this for me) and she will email it to me. I'm sorry this is so short but I cannot miss this meeting. I am working on getting some more state reps up here to meet with us and this is important. So please forgive me for a short response. Take care of yourself and I am looking forward to getting to know you Heather.
