precious daughter

i love u

this thought came 2 me at 4:43am ... U R A THINKER AS UR DAD I WILL HELP U THINK ABOUT THINGS...

it's goin on 1pm n 2day has been ok so far. got upset at work. got permission from my boss 2 put out a chocolate cake 4 breakfast. quick as i laid it on the counter it was bum rushed . most grabbing 2 pieces despite the fact that wasnt enuff 4 everybody 2 get 2 pieces . at this disappointment i vocalized "theres not enuff 4 everybody 2 get all these pieces ,have some consideration ..." nobody listened :(crazy mind u all of em r fathers. i question if their children will have enuff 2 eat when they return home. if push came 2 shove how many of their children would miss breakfast cause they selfishly ate it all. yikes

but in happy news i got the 2 long john shirts i ordered n desperately needed. i'm still freezing ! but even better still i got a DESCIBERS DICTIONARY can already tell it's gone help me grow as a writer (u 2) already used it 2 do some of my creative writin homework. used words like acidic
