Grace,

I hope by the time you get this letter, you doing a lot better and not depressed. So are you still studying until you take your G.E.D.??? I'm glad that you did something that made you happy for your birthday.

You kind of sound like me, because I don't have many plans for the future myself. I am really taking one day at a time and just see where I end up.

Yes, I did take sometime out and think about things that I'm grateful and I do that everyday. I have seen a lot of evil things here in prison and I am so grateful that them evil things ain't never come my way at all whatsoever.

Do I celebrate Christmas? I guess you can say that, a lot of Christians believe that Jesus was born on 12/25, which no one knows. So I celebrate his birthday on 12/25, but I don't believe that's when he was born.

I'm glad that you liked the poem "Dream". I really can't say what made me write the poem to be honest Grace, just a lot of times, I write what comes to my mind or sometimes it's what, I had a dream about.

Wow!!! Grace, I really liked your poem "Mephistopheles" and it has a deep meaning and I can see you going some where with your poetry and I really mean that Grace.

It's a website called "createspect" and it will not cost anything to publish your book there.

Here is a poem, I wrote about 2 weeks that come from one of my dreams, hope you enjoy it. **MERRY CHRISTMAS**

"Bound Hearts"

Through the havoc I stand in awe of your unique energy,
The dissonance isn't as apparent as water flowing out to sea,
Baby you're deeply loved from my heart with no regret,
You're my lady eternally,
My love for you is no secret.

White a vast multitude stands at your heart's threshold and knock,
Unallowed to gain access they'll await in a confused enigmatic shock.

Being united we have great potential for our hearts are aligned,
Diverse force clashed, they merged causing our love to bind.

Will, I will end for now and hope to hear back from you soon
and hope that you and your family has a bless Christmas and New Year.
Take Care, Keep strong and I hope to hear from you really soon.
