

## Minister 2 self

Do I take sufficient time 4 rest-n-play?

Am I doing the things that I am doing?

God where do I need 2 spend more time?

God where do I need 2 spend less time?

Is there something I'm not doing that U would like me 2 do?

What R the consequences of taking the action that I propose 2 take?

What emotional baggage am I carrying?

God how do I lighten my load?

God what do I do about the inner pain & emotional baggage that's crushed me & strive relentlessly 4 approval-n-perfection

God do whatever is necessary in my life 4 me 2 get 2 the place-n-time where U can heal me -n-fill my life w/Ur approval, Ur love -n-Ur presence.

God I need, so desire, an experience of U  
have. Amen. I know U love me. I just  
don't feel it. Don't know love ~
