Topic - Syria

There should have never been a civil war in this country. But since it has, ~~all~~ all they can do is move forward with the help of others. I don't believe all the Troops should be pulled out of Syria at once. But a slowly gradual step. Just because you help did your part means that is it. A mechanic can fix a motor in a car. Is that it absolutely no the mechanic has to put it back in its rightful place after its fix. To say let's ~~take~~ take all our troops out. Donald Trump is a lack of integrity. We help ~~to~~ tear up the place so why is it ~~that~~ that the troops can help rebuild the city. I know the troops are ready to come home. One thing I know of Uncle Sam. He teaches you integrity and motivation and giving back to others in our Armed forces.

What I don't understand about ~~Jesus~~ Jesus. Allah is not telling you to bring destruction to anyone to meet your own gain. Allah is Loving, Allah teaches love, be humble, accepting knowledge, wisdom. Allah says to love all Allah creation whether you are believer or ~~not~~ non-believer. Allah teaches True wisdom comes from a humble person. So how did we enter into a civil war or war in Syria. To see those innocent malnutrition ~~children~~ children and the families affected by this civil war brought tears to my eyes and pain to my heart because Allah is very disappointed with his people who is doing this in the name of Allah.
