I was drowning in the deeps of the ocean
of this world and thou didst save me. Thou
hast united ~~they~~ heart to my heart.

Bita,

What a lovely surprise did I receive upon
my return from work this evening. - A heart
warming message from an old flame whom had
decided to check into my blog. Thank you so
much my dear for your kind words, and even
more for the love and faith you've ever exhibited
in me.

Any success I may accomplish, all the
strength to endure the long years of incarceration
are due only to the unconditional love and
support of Family and Friends - And certainly
from our daughter and all my girls period! I
am without a doubt The most Blessed Man upon
this earth, and I will ever let this be known!

I truly couldn't have done it alone My
Beloved, and I must give Thanks and Recog-
nition to You, Natalie, Garrett, Sarah, Christen,
Samuel, Siara, Serenity, Daniel III, and Dexter,
and certainly Mother to be sure!
