thanks 4 ur response

stayin strong 4 da most part. writin n prayin helps,so 2 does designin shoes/colorin em (gone do some 2day) plus workin out/playin ball wit the right group of guys
workin on the "keep lovin" part! determinin daily 2 do better . but like myself -in da beginning -
some find "love from god/godly people" unacceptable . so there's arguments
/disagreements,misunderstandins,confusion,grudges,lies,rumors,rejection,etc. (ie humanity)

so in response 2 ur God bless...

at 4am god told me 2 fast n pray 4 lunch on behalf of the young men in obs/observation
status,one in particular who try'd 2 take his life the day prior :(

slept in till a restless spirit hit me at 12pm so i read MARK 5 prayin verses 8,19 over the men

at MARK 5 verse 8 i started put'n the man/men names in it as appropriate doin the same in v. 13,15,18-20

at 12:45pm while walking n prayin i heard staff talkin 2 the guy. i prayed god 2 soften his heart 2 give up the contraband . i then heard his cries that nobody listening 2 him. so i pray god u show up,u r the listenin ear accordin 2 isaiah 50:4 amen. prayed 4 god 2 silence he demonic marketin of the guys neighbors .

in the end the man surrendered the contraband .

praise god.i got the privilege of hearing the prayers answered .

in elationship i sang a song "the demons run n flee/at the mention of your name ,king of majesty/no power in hell/who can stand /in the presence of the great I AM..."

later seen an ad 4 the bakery school,n thought of the dream i had the previous night of goin back 2 mixin/bakin at work. as i prayed what this all means somebody asked me did i write about the commitment (4 a bakery job)
