thank god 4 bein with me and 4 bein my bodyguard

i'm gone do great things (some others will never hear about but they hidden in my heart and heavenly bank account)

soon u get a chance a wise thing 2 do is invest in life insurance . can't hurt. 2 many airborne diseases n cancers goin around. just sayin plus never know what 2day or tomorrow holds

also wise 2 save \$ n have 3 stashes. 1 =savings 1=emergency funds 4 6-months-a year
1=emergency cash

spend wisely . stuff doesn't last very long. know u love 2 play dress up but b frugal . u r fashionable enuff 2 make ur own clothes possibly usin stuff from thrift stores. enjoy ur creativity

HAPPY NEW YEAR
