## Conflict

Do Sadd and Perrie conflict, one kind, one trips?  
Perrie charms the sister and Sadd fends of the  
brother. . . Sadd hangs with the ritlas in the  
night, while Perrie mingles with the whites. . .

How could this be? By recognizing the powers  
that be, the powers of he, the powers of street,  
but embracing the powers of peace!

so there's no conflict, this is me, Perrie and  
Sadd loving and embracing the powers of me!
