Danielle,

Thank you for your heart felt comments.

Please remember that things don't always have to be the way they are today. Mahatma Gandhi counseled that we need to be the change we wish to see in the world.

We're not damaged goods, my friend. I encourage you to get involved in some of the organizations in my blog, such as CURE, and make changes you want to see.

Thank you for following my blog. Remember, the future belongs to those who change it.

All the best,
Charles
