AGAIN I WAS MOVED, I AM NOW ON McCONNELL UNIT IN BEEVILLE, TEXAS I WAS MOVED LAST WEEK IT WAS 2 DAY OVERS AT 2 OTHER PRISONS TO FINALLY GET HERE THE 1ST WAS THE WALLS UNIT, ITS A EXPERIENCE I'LL NEVER FORGET, I WAS ON TX DEATHWARRANT 2 1/2 DECADES NEVER GOT A EXECUTION DATE, SO I WAS NEVER SENT TO THE WALLS.... IT WAS A SIGHT NO ONE SHOULD EVER = PAUSED AS WE WALKED IN THE WEE HOURS GOING TO BREAKFAST population inmates go out side to the RECREATION AREA THAT YOU CAN SEE THE AREA THAT HOUSES THE GURNEY AND THE CELLS EACH HAVING A FLAT SCREEN TV IN.... I SAID A PRAYER, EVEN BOTH TIMES I ENTERED OR EXITED THE CHOWHALL.... I WAS HOUSED ON O-SIDE OF THE WALLS.... MOST WILL NEVER EXPERIENCE WERE I'VE BEEN AND NOW TO THIS DAY, THIS UNIT IS IDENTICAL TO THE LAY OUT AS STILES + POLUNSKY UNITS.... ITS BEEN A JOURNEY TO SAY THE LEAST, EVER SINCE BEING 1ST ON THE WYNNIE NOW I HAVE BEEN ON NUMEROUS PRISON UNITS

is this going to be the permanent limit, I
 only can pray it will at least for a few yrs
 to bring most up to my Medical
 Condition I do still get dizzy spells
 But lately the dizziness lasts but a mere
 few seconds, if I am standing for longer
 periods I get dizzy images in my right eye it
 is like series of lines or slight headache affect
 I was told by a nurse at John Sealy while
 I was in her care, she witnessed the way
 I looked when I 1st arrived on Aug 21st it
 was the way the eye socket was crushed
 I was kicked in the head, its why I've got
 life injuries, I am able to discuss this I've
 always had a strong mind & heart... I talk

it So that I can maybe prevent ki-
 mother who had this happen loose con-
 fidence... For me its a healing process
 if I keep it all bottled up inside its
 not good.... talking I think helps educate
 the public + give AWARENESS.... I dont know
 why this took place + why who did it to
 me.... prison is a violent place anything can
 happen.... we all live in this world and
 we all should get along... I can add
 that I was asked by a producer in London a
 documentary is what this is about it was
 about a person who like myself once had a
 death sentence now is serving life these in-
 dividuals are interested, they have done one
 series "I am a killer" there wanting to do a
 2nd series, of course if I have what they are
 seeking it can be on Netflix's

I've been approached before
 from Journalist... So things are working
 in my life....

Again, I try to send in the next
 update of my life its a challenge if
 I can use that word, Again I do
 want those who read this give your

4.
