the saying goes
time heals all wounds

in my life travels
with god
i've come 2 know
2 experience

TIME DOESN'T HEAL ALL WOUNDS
WISDOM DOES

i learned this from the story of joseph . discarded by his brothers he found himself a leader in egypt . falsely accused he found himself in prison . there he interpreted 2 dreams this ability lead 2 his miraculous release . again in power he found himself face 2 face with his brothers . as they eventually apologized he told them something profound "it was not u who put me here but god..." genesis 50:20

studying the details i seen he was able 2 deal with the wounds of betrayal by divine wisdom . his relationship with god taught him that god allowed all this pain n hurts 2 happen 2 bring the dream HE gave joseph of bein RULER OVER HIS BROTHERS N PARENTS . seeing god's divine hand in the matter joseph was eager 2 4give his betrayers n move on with life in a positive manner

in my own life it's easier 2 4give my self n others of wounds we caused me by seein things from a spiritual perspectives
healed i know all this will turn out beautifully

Subject: good friday

it was actually great !

god reminded me of 2 things I 4got 2 do at work

then sent me 2 angels 2 help me get my work done

which resulted in my leaving work in ththe nick of time

2 run back 2 my "car" change clothes n go 2 the library

as god whispered "library 8:25 am"

amen

there he whispered

"drop a gem publishing "

so i put in a request to get the address

mind u we don't got access 2 phone books,google or the like

then i received encouragement /confirmation 2 keep my chapters short in the memoir

they don't have to be long or overly descriptive

later following the whisper 2

"write in the day room "

i was blessed 2 hear some music on someone tablet

1 song even had the lyrics "6 months"

mind u god been speaking 2 me bout 6 months since november 2017

dont know exactly in reference 2 what

maybe release maybe that's my next defer

or maybe i'll get a 6 month grant (of release)

LORD KNOWS

i just keep preparing

then god pressed upon my spirit that a writing support system is on the way

;)

blessings 2 all

Subject: still standing saturday

breathe

it's all good

so,
2day i can testify
that im
still standing
cause
of my faith in god
this is not a cloak
or something 2 hide behind
i stand
as I
surrender more n more 2 god each day
like prayin
not 2 fall victim 2 my ungodly short-comins
on accident or on purpose
lord knows i'm guilty of
abusing grace
:(
:(
(best i got 4 emoji's)
then im standing
cause
i'm recognizing
the part i play in all of this
so
i been running 2 god soon i
peep im goin in reverse
like a moment ago
judging somebody
who christian
4 running 2 the gym
so he could get 1of the 2 treadmills
mad at his anxiety
i had 2 pray at rec
"god help me not to judge
this brother
i have my anxious moments
2
lord knows
like anxiety bout my eventual release
if i'll ever get married
will i b good at loving her how jesus would /does
n sometimes i have ran 2 temporary things

as if they were the cure all
tv comes 2 mind...'

god 4gives me
:)
:)

so im still
standing

ready 2 eat some mac n cheese
n watch the 2nd have of this game
n think of scriptures 2 tell someone
