

Dear Danielle,

01-22-19

Hoody!! Thank you very much for writing!
 I hope the New Year is going well for you!
 OMB, you have no idea how right you are.
 It's just crazy how life is in here. You cannot
 get away from some people & it can be very hard to
 deal with - or imagine from the outside.

I am so grateful for your comments - we sound
 a lot alike in how we deal with certain situations.
 I'm a firm believer that if someone does something that's
 f-ed up, then they'll probably do it again. There's
 over 7 billion other people out there - next!

I've started talking to Lee again, but I've told
 him that he's lost my trust & our relationship isn't
 what it was before.

You sound very wise & I hope to hear from you
 again!

Blessed Be,
