## INSANE ASYLUM

I'm not crazy, I actually do live in an insane asylum! I mean how f\_\_\_in, insane is that? There's nothing normal about this place, you would have to be crazy to believe there is, and the crazy part is few here believe they're crazy! Again, how fu\_\_\_in, crazy is that? You must be crazy too, as you're reading the ramblings of a crazy man, and trying to make some sense out of it... Maybe the world is an insane asylum and we're all fuc\_in nuts. Just look who's running this Country, it doesn't get anymore fuckin crazy than that!!!
