i been in rgci 4 10yrs in that time i've only went a total of bout a month total of unemployment . mind u when I got off the bus ,i was told "hang tight. it could b months or years b4 u getta job..."

well in less than 24 hrs i was bout 2 b employed in the kitchen ,though it took 7 days 4 the paper work 2 go through.

since then jobs have literally been hand delivered 2 me :) even had 2 job offers in one day n have even been offered jobs as i walked around the joint smiling :)

god b praised

even as I finish up my last weeks in the kitchen. last day feb 22 or march 9 depending when they find my replacement

still think i'm done workin here, mind u can't get hired when u on the transfer list,cause u could leave ne minute!

meanwhile think im done cause my heart somewhere else .honestly know it's not god's will 4 my life 4 me 2 live out the rest of my days working 8hrs a day.

see my real job is ministry,so...

in my heart i just want 2 sit n dedicate 8hrs 2 writin books n learnin more bout god n my faith

believe im spose 2 take a break n regroup as well

if im wrong god will let me know

2day i had the privilege of shedding tears as i seen 4 kids run screaming "daddy daddy!" broke me down. can never recapture those moments with priska

so i needin 2 see her lookd at her precious pics

Subject: tuesday talk

i got it while I was at "inside out dads"

like the volunteer i gotta type a personality where as I also set the bar super high where no human can attain it let alone me. 4 example since 2012 i seem 2 get a "great book' idea everyday! once i get a hot title i drop everything n go 2 work, but while writin i'd get another book idea then start that 1. b4 long i had well over 50 books started none of which r completed . sent the manuscripts home outta disgust 4 myself. viewd myself as an utter failure... yet i forced myself 2 keep goin,yeah i'm hard headed:(

so as i grow in spiritual maturity

i see that I'M NOT A FAILURE

:)

MY PROBLEM WAS

I KEPT GET'N AHEAD OF GOD

N

I FAILED 2 SEEK HIS WILL

WHETHER IT WAS HIS DESIRE 4 ME 2 PEN ALL THOSE BOOKS OR NOT

MOST WERE STARTED FROM EGO/PRIDE

YEAH EVEN PEOPLE OF GOD CAN B CAUGHT UP IN THEY CALLING

2 THE POINT OF PRIDE

OUCH!

2Day i was reminded how jesus more concerned with havin a relationship with me then me relating 2 him through have all these books about him get'n published .

so that's where i'm at now i stopped the memoir n prayed "god should i b writin a book? n if so what's the title n what's the contents?"

so a book of prayers pressed in my heart which will help me in my relationship w/god

:)

interestingly enuff under the law  
when i was sentenced  
the judge was able 2 consider  
**FAMILY HISTORY OF UNDESIRABLE BEHAVIOUR**  
so my brother bein in prison was brought up  
n my other brother bein in a group home  
n my mom goin 2 jail several times durin my youth  
n then there was me  
with my atrocious crime:(

yet at no time has ne one  
taken into consideration  
as it relates to my rehabilitation /release  
**FAMILY HISTORY OF DESIRABLE BEHAVIOUR**  
like my visitin nursing homes 2 sing carrols as a member of student council  
or  
my mom desire 2 b a counselor/interior decorating  
my grandma prison ministry thru pen pal'n  
my auntie visitn nursin homes  
etc...
