so y only 1%

my guess is cause when it comes 2 distribution of free services there have 2 b limitations i suppose . 2
the best of my memory theres a lack of volunteers funding n things of that nature.

maybe im totally wrong...

sure the founders can correct me..

here's 2 a happy rest of ur day

as u value lanajane

it gradully becomes easier

2 value others

even the ones who insist on

devaluing themselves

whew...
