lanajane,w/da coolest name

greetings

thanks 4 answering the question about how u will continue 2 choose 2 choose positivity .

(hard isn't it)?

i appreciate the time n consideration u put in 2 ur response. (so how's it comin along?)

listening 2 what u said what caught my attention was the mention of ur desire 2 practice "'all of the above when it comes 2 urself "

LOVE STARTS AT HOME

still learning this myself. learnin what it means 2 love myself w/out bein super selfish ,prideful, conceited, or humbly proud! learnin how 2 love myself in a healthy god-fearin manner.

hard at times cause i grew up in an environment where givin up on urself is the norm;normal life. it shows in the fact that "we" threw our lives away in the name of love,\$,street signs/locations,material wishes,women,sex,drugs,alcohol,15 minutes of fame,etc.

ouch!

i failed 2 love myself cause i didnt like bein picked on...

but it's over now

:)

learnin 2 love myself thru right choices,n even the wrong ones! have 2 acknowledge that im a a "'being" who stumbles as "beings " do

thanks 4 the "hang in there" seein i got an "f" in lunch growin up hangin is easy 2 do

go dallas fan of zeke ,dak-not so much

will send a part 2 2 answer the 1% question

till then
