Update :

I now have 3 cars :

- 1) Toyota (needs an engine swap and I have the engine)
- 2) Mercury 1998
- 3) Honda Civic 1999 (being sold as a flip)

I have a \$28 hr. job set up at the Iron workers association (4 yr. apprenticeship).

I just got donated a bunch of used and new parts (saving me \$500 - \$700).

I've been working out again and have gained 15 lbs., lost the little bit of weight on my waist and feel good. I have a ways to go but I feel good with my shift off so I'm going in the right direction.

All in all, I'm going home in 11 months and I'm doing better. I'm ready for this thing called freedom!
