Dear Grace,

I'm so very sorry that could have been rushing or whatever it was I am sorry. My release date right now is July 16, 2019 and I'm looking to be out with good time between June 26, 2019 - June 30, 2019. It's getting closer as the day's and week's go by, but it feels like it's taking forever.

If you wish to go to "www.dc.state.fl.us" and type in my first and last name and D/C# and each month it will show you if my release date goes up or down if you wish to do so. I can ^{only} pray my mug shot don't scare you away, yeah it's bad. I was piss they wouldn't let me shave when it was taking, I was having a really bad day then.

I'm glad you giving country music a chance that ~~what~~ was what I was rise on. Send me some other song's that you like of the music you like.

Marsh, you not a bad poet and never let that thought cross your mind. It's going to be people that like and love your work and then you going to have haters. But never let that get in your way because you are a great poet Ms. Marsha. So any of your beautiful poems will be good to post on Facebook. If you ever get a chance to go to your "PUBLIC LIBRARY" check out "2018 POET WRITER MARKET OR 2019 POET WRITER MARKET". They are pack with alot of good information for any poet. If, I had a way to get anyone of them, I would have them.
