I have posted this -- not to solicit money -- but, to provide a permanent location of instruction, and source for the JPay process, and the form needed, that can now be printed out from page 2 of this post. I am always having to procure copies of it to mail my family and friends, this will now save me postage, and time, where that is concerned.

Plus, maybe some of my readers have family, or a friend, they want to help, but don't know how ... and now, they do.

So please, do not misconstrue this as a post asking for money! I simply thought that this would be a nice addition to my other, *how prison works* posts, and answer more questions that may be out there. I know that in this day, a lot of people know someone that is incarcerated, and curiosity of their world is natural. I hope that with my posts I have shed some light not just on myself, but those such individuals as well. If any readers have any additional questions, feel free to ask...

What do prisoners do with money?

They purchase food from the prison store, or property items such as shoes, a TV, typewriter (or ribbons), they purchase magazine subscriptions, buy books, pay for school courses, etc. Some, send it back out to their kids...
