Dear Arcadiaego,

I am glad you enjoyed the writing, and hope that you continue to read and comment.

Unfortunately, my "bad feeling" was spot on.

And it was one of those eerie moments I speak of.

I'm sure you've had those too ... especially when it involves someone we love, someone we are intrinsically tied to in every metaphysical (or quantum) way possible.

Thank you for the transcription, and I apologize for being so long winded. Lol.

Dear Yoko,

First off, let me thank you for reading, and finally commenting on some pieces. I always respect your opinion.

Happy Valentine's Day.

And, there in Japan, don't you have "White Day" too? When the guys get gifts from the girls?
