Dear Kyla

It's all good Kyla for, I understand that you have a busy life out there. I would love to get to know you better Kyla. I ~~be~~ been doing alright just taking one day at a time and getting old even know, I still feel like I am in my 20's. I just turn 38 years old today and thank God it will be my last birthday in here.

So besides all that, I been waiting to ~~be~~ hear from you beautiful. Yeah I write my brother through a friend because he is locked up too. The person we been going through has been on the B/s, so I haven't heard anything from my brother in over a month now.

However I wish, I could write straight to you and not through this company at all. Anyway I am about to get out, I have like 3 1/2 months left now, my cut date is ~~July 10~~ July 10, 2019. am looking to be out like June 10, 2019. I sure can't wait.

I have some questions for you.

- 1). Do you have a Facebook page, email or phone # where I can keep in touch with you for when I get out ??? I be out really soon Kyla.
- 2). If you don't mind me asking when is your birthday ???
- 3). How has school been going for you so far ???

I'm going to stop for now and really hope that, I hear back from you really soon. Take care, keep strong and keep your head up.

Always a Friend,
Jack M. Branch
