

DOB: 12/18/46

CDCR: B14364

shared memories

a moment in the present
is a bridge to our past
in the struggles of life
like dead leaves dancing
across an empty street
during the quietness
lost in the time
between day and night
waiting for the dawn
under the brilliant colors
of the sky
glimpse into our
shared memories
is enough for my heart

Steve J. Burkett
2/27/19

I miss you most
when I'm lost
in an ocean
of my own making
