PS ~

We Live in the Likeness of our Creator (vide: Genesis 1²⁶), which Logically means that We are Creators too.

We are only bound by a single Universal Law: Do As Thou Will.

We Live and We Learn; Creations are either established in Love or in Fear.

With Integrity maintained, Do As Thou Will, and fear nothing! The only second Thought confronting Intuition should only ever be weighed on the scale of Love vs. Fear.

Emma Curtis Hopkins pointed out the obvious when she said: The world will persist in exhibiting before you what you persist in affirming the world is. And, Henry David Thoreau said: The universe constantly and obediently answers to our conceptions.

So, when L. Ron Hubbard initiated Volunteer Ministers, he too pointed out the obvious when he declared: A society gets what it concentrates upon. By concentrating on spiritual values instead of criminality, a new day may yet dawn for man.

Yes indeed! The effectiveness of Volunteer Ministers in disaster relief efforts has drawn the attention of government officials in many nations. I appreciate that you've acknowledged the prison system is a disaster area where VM's can have a tremendous impact upon rehabilitation. The expansion of Scientology's Prison Outreach, via Volunteer Ministers, is certain! On the scale of Love vs. Fear, cultivating Intelligence Gain is truly a labor of Love. Thank You for everything you DO.

I do herewith and hereby nominate you the Mother of Prison(er) Reform, in the annals of Volunteer Minister Disaster Relief ambitions; Be blessed in your blessings and fare thee well.

For the Love of Truth.
