Been written like crazy but had 2 take a break. Caught up in future fame? I lost sight of priorities. Gotta finish my Bachelors which also requires lots of writing, so books can wait. God's 2 finish this school God called me 2. Amen. Just got some homework yesterday. Gotta get at it. Once that's done I'll have breathing room 2 write my 9th and whole sdjll learning 2 write. Checklist and The Christian Writers Manual of Style from the chapel so got 2 read that may not finish B4 I leave this faculty but I'm gone definitely add 2 my personal library upon release.

Speaking of which. Every day I get closer 2 this yet 2 B determined date. 2 day God had 2 people mention "Put in 4 a garden" 2 me. So I'm gone pray on it n- see what God's up 2.

Other than that wantin 2 leave here so I can have a chance 2 get a job making dollars/hr instead of 5¢. Which will help me save so I can take care of U. Know \$\$\$ aint everything but I can't help but want 2 give U the world smile. \$\$\$ will help me pay if the chance 2 give U opportunities I never had like College, cruises, vacations, trips, Cowboys games Beers 2 u, a new car, a house etc.

Plus I'm in debt so I gotta climb ~~the~~ outta that 1st, then skys the limit.

An associate told me his nephew the manager at a MKE store in Pleasant Prairie so he gone see if he can get me a job offer. Know that's right up my alley. Maybe that'll help me sell some designs 2 MKE. Wishful thinking.

Seen a guy on a visit hotel has 1st baby girl she was like 2-3. Made me miss U more

Sorry I missed those precious moments in Ur life Ruska
