fatherJohn,

thank u so much 4 hearin my fashion designer cry n responding 2 it.

u shall b blessed 4 this deed i promise. "whoever gives a cup of water 2 these my disciples shall b rewarded by my father in heaven "

thanks 4 letting me know that they also make "learn development accessories " n have "retail locations in chicago"

we get'n somewhere

so,i've written JASON MAYDEN,CEO

n explained my situation ,my capabilities ,respect 4 him,n my desire 2 work 4 him upon my release . though im self taught i may have 2 go 2 design school 4 a lil bit just so i can take a professional approach 2 ne future endeavors in the fashion industry

prayin he respond at least with some helpful advice or someone who can mentor me,possibly. i dont know. god up 2 somethin. just know that IF i can secure a job offer it'll greatly increase my chances of parole/release in JULY. now that'd b a great b-day present;RELEASE!

possible cause they just granted release 2day 2 a man in 4 murder who did 30yrs. i shot someone - WHO STILL ALIVE- n- ive done 22yrs

but time will tell  
so will god's will  
amen

thanks again  
john pfister
