"Where Has God Gone?"

Separated from my family of 14 years and 5 months  
Caused tremendous hurt, pain and many tears.  
Thrown in solitary confinement from the door  
Felt like life wasn't worth living no more.  
Nine years of struggle and strife  
How did this happen to my life.  
I lost touch with Hope  
In need of God, Satan says "Nope".  
Traded Life for a life  
No dreams, No future, No wife.  
Satan is powerful. He is strong  
Causing questions making you go wrong.  
I'm in a struggle way over my head  
Dazed and confused wishing I was dead.  
But I am strong and just hold on  
All the while wondering where's God gone.
