DEAR BETWEEN THE BARS

April

I wanted to let those who read blogs . . . know who I am, I sent in a photo of myself it was taken when I was at Allen B. Polunsky Unit the date I don't remember

I arrived on deathrow back on 1989 + here I sat for 10 years + I we all got moved to Polunsky . . . there I sat for another 12 1/2 years, all those years I never got a execution date . . . All my life as far back as I can remember I've been as most say Blessed

I don't put my crime out there its because you have people who might see + like I'm using it to get something . . . which I don't put it out I was convicted of Capital Murder . . . it was what sentenced me to death . . . I wasn't a career criminal sure I grew up + all thru life I had challenges, who doesn't . . . my 1st run in with

the law was in the 70's.... on a birthday
I asked for a Golf Club, we lived across
the street from a elementary school I
attended up to the 2nd grade... I was
hitting Golf balls and a few busted a
few windows.... a Hpd officer lived in the
neighborhood he was called by a neighbor
I'll just say I didn't have the Golf Club
anymore... that wasn't the last involvement
I had with the law.... but during the
trial I was considered a continuing
threat to society.... how I was taken
off of death row.... wouldn't that prove
the state wrong? I live 24/7 in a society
it's all the same right?

A lot of people felt that I deserved
the death sentence? the house I was raised
in is on 10615 Atwell drive? I'm sure ones who
read this know who I am I went to the
neighborhood high school my 3 other siblings
also graduated from Westbury Senior high
I did in 1977-78
