

APRIL 21st 2019

ITS THE 3rd ANNIVERSARY OF THE RETURN 2 THE EVERMORE OF THE ARTIST, HIS EMINENCE, THE PURPLE 1, PRINCE ROGERS NELSON. IT STILL SEEMS SO WRONG 2 ME. ABSOLUTELY GONE 2 SOON.

THE MORE I LEARN ABOUT MUSIC, THE MORE I RESPECT WHAT HE WAS ABLE 2 BRING 2 THE MUSICAL LANDSCAPE. THIS PAST FRIDAY NITE, ON A RADIO SHOW/GRAM CALLED "THE HISTORY OF FUNK", HOSTED BY RICKY VINCENT, I HEARD THE LATE GREAT MILES DAVIS DOING A PRINCE COMPOSITION CALLED "BLACK DEVIL". ITS AN INSTRUMENTAL MASTERPIECE OF JAZZ/FUNK THAT IS JUST INCREDIBLE. AND I DO RECOMMEND THAT ANYONE WHOS A REAL FAN(ATIC), LIKE I AM, DO TUNE IN 2 THE HISTORY OF FUNK ON FRIDAY NITE JUNE 7 4 A PRINCE EXTRAVAGANZA. JUNE 7th IS PRINCE'S BIRTHDAY, AND IT HAPPENS 2 FALL ON A FRIDAY THIS YEAR. THE RADIO SHOW COMES ON EVERY FRIDAY NITE, @ 10PM ON KPFA IN CALIFORNIA. THE STATION IS PART OF THE PACIFICA NETWORK & IT CAN BE FOUND ON-LINE.

AND I STILL PROMOTE THE IDEA THAT "CLASSIC ROCK" RADIO STATIONS SHOULD INCLUDE PRINCE AS A CLASSIC ROCK ARTIST. HE HAS MANY ROCK RECORDS THAT WERE OVERLOOKED @ THE TIME BECAUSE HE WASNT CONSIDERED A ROCK ARTIST @ THE TIME. THEY SHOULD PLAY SONGS LIKE: "LITTLE RED CORVETTE", "LET'S GO CRAZY", "DARLING NIKKI", AND "WHY U WANNA TREAT ME SO BAD?" THERE'S A LOT OF PURPLE ROCK 2 CHOOSE FROM.

CAN U IMAGINE THE ROCKIN' THATS GOIN' ON IN HEAVEN OR THE HERE AFTER OR WHEREVER PRINCE & JIMI HENDRIX & ARETHA & JANIS JOPLIN & WHITNEY & MICHAEL & ELVIS ARE? OH, AND JAMES BROWN.

LIVE UR LIFE N LUV

PEACE 2U A
ZAWAD 1
