

Hey everyone, I am back trying to make the most of out a crazy situation. I have a bit of a dilemma and hope someone out the re can offer sometype of help. I really want to find someone where to livenear Houston. I am pretty sure I am ALREADY going to have a job but of course finding somewqhere to live is not the easiest thing in my postion. I hope the hear something from you and I hope that anyone can offer advice to simply quell my anxiety. I am going back to college and am starting a trade soon either HVAC or Electrical. Wish me luck...
