A while back another told me about  
his meeting for lunch two of my Aunts.....  
I wont give their real names but they're my  
Mom P.P..... 2 of the 7 sisters, I want them  
to know I apologize for doing what I done  
back in the 80's... We all have issues in our  
lives most dont condone... I am no different  
I was addicted to drugs... THIS IS NO EXCUSE  
I take full responsibility for all my actions  
its to what was said to another former  
person in the family.... his name is R.D. I'll  
use.... from the 2 ladies who live on the  
Street University Blvd.....

Being this is Public Read... I do hope  
those who do read it take in consideration

That I was Appalled How my 2 Aunts  
Can Say that I deserved the Death Sentence?

I Understand why... but if the SHOES were on  
different feet, I Would Be different if they got  
life... WE ALL HAVE OUR OWN OPINIONS I do... but  
to be mad being I WAS GIVEN LIFE... INSTEAD OF  
BEING EXECUTED?

I WROTE B.t. BARS About what Can be  
SAID... I WAS told the public Reads this? I  
Want to Address those that Read these Blogs  
I AM SURE those I KNEW out in the World  
Read these... one I KNEW from my H.S. Wrote  
told me he followed my Writings, he  
was in the SAME Art Class at Westbury Sr.  
High... We took a trip to the City Museum +  
to the Beach... he drove a Chevy Belair... if  
You Recognize who You are Write me, I'd  
Be excited to hear from You or anyone who  
KNEW me....
