

Reply LW: 3gcd

when so many wrongs can be corrected by just such a simple thing, such as being a human being, it seems a real shame that more of us are not, especially when this is all we can wish for here on earth, you can understand the frustration this causes, while i do not agree with all the ways people act on this frustration, i do understand the frustration itself, post for <http://betweenthebars.org/blogs/1491>
