precious daughter

how r u?

i'm good

did wake up on the wrong side of the bed but i overcame it;slowly but surely .

went 4 a walk early at 7;30am helped me clear my mind so 2 did talking 2 another guy bout life n raising daughters . was happy 2 hear that his daughter also an honor roll student! course scholarship n grants /\$ 4 college came up.

so have u bumped into \$ 4 college? still asking god 2 bless u with a full ride 2 the college of ur choosing ...

did get some of my homework done . was encouraged by the fact that after adding up all my credits found out i got 102 outta 135 so im this close 2 a bachelors in theology . just gotta keep goin n not get discourages cause sometimes after like 2-4hours of work i look up 2 see i only got like 1 page written. whew. but ive come 2 far 2 give up now :) can't wait to get a laptop

ne ways as i was talking 2 someone bout my choice 2 not play basketball with the wrong people (who cry,complain,argue,start trouble ,foul on purpose ,lack sportsmanship etc...) i wound up sayin a new quote ,which god later answered my prayer with a yes by bringing it to my remembrance ...

the quote is;

WHEN U VALUE LIFE,U LIVE IT DIFFERENTLY

well i love u

i am always we
