from difficultys
(sorry.

We promised U our hand
We give U a hand
Thank U 4 Ur mercy
N miracles
2 these sons of man
 N woman
U quench thirsty souls

at pools of Living Water
we made WHOLE
deep down 2 the soul
as U faithfully fill
starvin souls
wit Bread of LIFE

prisoners of anti-christ affliction
chaine'd 2 chains-n-addiction
(Because the WORD
was rebelled against
despised
though some try'd
2 straddle da fence
consequences they recompense)
Humbled hearts Jehovah gave
that on Him, they might
set they eyes agaze
as they
stumbled over
Lord knows what
no one 2 help
cept 2 push 'em
on they butt
unfriended, on they face
they ended
UP
grasp'n 4 Jehovah
He save 'em
out they hopelessness

in the shadow of LIFE

They who board
 the Deadliest Catch
 fear bein a wretch
 seek. the works of God

 His wonders in
 oceanic surroundins
 that got 'em surrounded
 Grown hearts pounded
 prayers 2 heaven sounded
 Jesus speak
 2 stormy winds
 gently say
 Peace B in
 Peace within

stillness
trust in ourselves
have fallen short
toss'd 2-n-fro
our evil we abort
(not really)
staggerin like drunks
we run, like America
run on Dunkin
Wisdom swallowed by white whales
souls smart. scream 2 U
whisper 2 the winds
2 put this storm. put an end

our joy no longer breached
4 U we reach
we Thank U 4
bein aboard
N Ur omnipotence
on behalf of
the sons of man
 N woman
we exalt in the world
it's our church
we tell of Ur wonders
2 elders who taught us
"Grandma. guess what..."

U bring rivers of water
inside us
beside us
in wilderness travels
can't contemplate or
unravel
if not \$ u
we'd eat gravel
still be victims of
satan's gavel
Now we
Got GOD:will travel
food in the desert
so they created dessert
Blessed we multiply
build houses-n-familys
God keep it up
this our plea
sinners can have da opposite
next 2 U
we crave 2 sit
U've raised us up
populated the Flock
brought water from a Rock
Gave us purpose-n-destiny
in gladness we say
YESSSSSSS 2 Thee
Whoever follows

WISDOM
will choose these eternal things
N they shall know
of mercys
Jehovah only brings
